CONCORD, N.H.

Dear Mr. Cote:

Your letter of September 20, requesting our opinion as to whether persons engaged in picking and packing apples fall within the farm labor exceptions to the Minimum Wage and Workmen's Compensation Laws, has been received.

As a result of a telephone conversation with the Deputy Commissioner of Labor I understand that the packing in question consists of crating apples for shipment to market.

It is the opinion of this office that the employment in question is farm labor and thereby within the farm labor exceptions to the Minimum Wage and Workmen's Compensation Laws.

Very truly yours,

Elmer T. Bourque
Law Assistant
